**Leadership Development Resources
Brought to you by the Leadership Development Committee**

1. If you would like assistance in helping others identify their leadership potential, we are willing to come to a meeting to facilitate activities on:
 - identifying leadership potential
 - organizing people to accomplish goals
 - creatively exploring personal leadership strengths

2. We are willing to come to your Area Leadership Training event to present a 45 minute to one hour session entitled "DKG Wants You: Leadership for Everyone, Leadership from Everyone." In this workshop participants will embrace the idea of being leaders and using their strengths to help the Chapter.

3. We are happy to share a lesson plan that will allow you to facilitate a movie clip session on leadership. To learn more about this activity, check with your Area Director.
